MEXICO - UK NEWTON ADVANCED FELLOWSHIPS

2015 FUNDING CALL

THE BRITISH ACADEMY IS CALLING FOR NEWTON ADVANCED FELLOWSHIP APPLICATIONS UNDER THE NEWTON FUND.

THE NEWTON FUND IS AN INITIATIVE THAT AIMS TO DEVELOP THE LONG-TERM SUSTAINABLE GROWTH AND WELFARE OF PARTNER COUNTRIES THROUGH BUILDING RESEARCH AND INNOVATION CAPACITY, AND FORMS PART OF THE UK'S OFFICIAL DEVELOPMENT ASSISTANCE COMMITMENT.

Newton Advanced Fellowships provide mid-career researchers with an opportunity to develop the research strengths and capabilities of their research group or network through training, collaboration and reciprocal visits with a partner in the UK.

The closing date is Wednesday, 16 September 2015, 5pm (UK time).

Awards last for one or two years and are available to support researchers across the social sciences and humanities.

Please refer to the relevant scheme notes for further information and a full break down of costs.

Applicants must be no more than 15 years post PhD, and hold a contract in an eligible university or research institute in Mexico, which must span the duration of the project. Applicants must have a UK-based collaborator as their co-applicant.

For more information on this call, eligibility and how to apply, visit: www.britac.ac.uk/newton-advanced-fellowships

There are other funding opportunities, for other countries, and from other funding bodies under the Newton Fund; please see www.newtonfund.ac.uk for further information.
Mexico - UK Newton Mobility Grants

2015 Funding Call

The British Academy is calling for applications for Newton Mobility Grants under the Newton Fund.

The Newton Fund is an initiative that aims to develop the long-term sustainable growth and welfare of partner countries through building research and innovation capacity, and forms part of the UK’s Official Development Assistance commitment.

This scheme helps strengthen the research and innovation capacity of Mexico-based researchers by facilitating exchanges of researchers. Applicants should be researchers from academic establishments or government-funded research institutes.

Awards last for one year and are available to support researchers across the social sciences and humanities. Applications must include a researcher from the UK and a researcher from Mexico. Awards will cover costs for travel, subsistence and research expenses. The grant must be based around a joint research project.

Please refer to the relevant scheme notes for further information and a full break down of costs.

The closing date is Wednesday, 16 September 2015, 5pm (UK time).

For more information on this call, eligibility and how to apply, visit: www.britac.ac.uk/Newton_Mobility_Grants

There are other funding opportunities, for other countries, and from other funding bodies under the Newton Fund; please see www.newtonfund.ac.uk for further information.
